Dear Secretary

The Palestine Solidarity Campaign (PSC) is building a broad based movement of solidarity with the Palestinian people and the trade union movement is central in this endeavour. A growing number of unions, AMICUS, ASLEF, BFAWU, BECTU, CWU, CYWU, FBU, GMB, NATFHE, NUM, PCS, RMT, TGWU, TSSA, UNISON, Unity and UCATT are affiliated to PSC.

PSC calls for:

The right to self-determination of the Palestinian people;  
An end to the illegal Israeli occupation of the West Bank and the continued encirclement of Gaza; (United Nations Resolutions 242 and 338);  
The immediate withdrawal of the Israeli army to the 1967 borders; (United Nations Resolutions 242 and 338);  
An end to the building of the Apartheid Wall condemned by the International Court of Justice (2004);  
The right of return for Palestinian refugees under Article 13 (2) of the Universal Declaration of Human Rights.

PSC works closely with the Trade Union movement to further the Palestinian cause and raise awareness of the plight of Palestinian workers. PSC also works closely with the Palestine General Federation of Trade Unions encouraging twinning, delegations to the occupied territories and building practical links of solidarity.

We invite you to become affiliated to the campaign and to join in this work. The cost of trade union affiliation for local unions is £25; regional bodies is £50; national trade unions: £100 for a union with less than 100,000 members; £200 for a union with a membership of between 100,000 - 500,000 members; and £300 for a union with a membership greater than 500,000. Affiliates receive regular information about national and local activities; a copy of Palestine News and play a full part in the Annual General Meeting which decides the policy of the organisation.

In this country we seek to persuade the Government to express its support for the Palestinian people, to put pressure on the Government of Israel to implement United Nations Resolutions and call on the Government of Israel to enter into immediate negotiations to establish a viable, independent Palestinian state.

A just settlement for the Palestinian people will bring peace for all, including the people of Israel and will contribute significantly to the ending of conflict throughout the Middle East. We believe this is a vital campaign and invite you to affiliate to PSC.

Yours sincerely

*Bernard Regan*
