

BBC: don't do business with G4S

The BBC has invited companies to bid for an £80 million security contract. We ask the BBC not to award the contract to G4S because:

1. G4S services Israeli prisons to which Palestinian prisoners are illegally transferred in serious violation of the Fourth Geneva Convention and also, in the case of child prisoners, the United Nations Convention on the Rights of the Child.
2. There is credible evidence that Palestinian prisoners - including children - are routinely subjected to violence and torture at G4S serviced prisons in Israel and Palestine.
