

43% of Israeli towns have residential admission committees, which are used to exclude Palestinian Citizens and entrench **racial segregation**.

Israel's Supreme Court upholds the law that allows them to operate.

A grey wall with a watchtower on the right. A red triangle is crashing through the wall, creating a jagged hole. The wall has vertical lines and small circles. The text 'That's Apartheid' is written in large black letters on the right side of the wall.

**That's
Apartheid**
