

I am standing as an Independent candidate because of my support for Palestine and the Palestinian people. <http://www.bbc.co.uk/news/uk-politics-39723144> is a news article about being stopped as the Liberal Democrat candidate for Bradford East ) and this is a link to my website where there is a video about what I am standing as an independent. <http://www.davidward.org.uk/>

I am a member of the PSC and raise funds for them. I am a strong advocate for BDS and my answers to each of your questions is YES.

I am standing so Palestinians can have a strong voice in Parliament. As an independent Member of Parliament I will be free from the constraints of party rules and the external pressures that politicians come under and will be free to speak out not only about the plight of Palestinians but on human rights abuses across the world. To do this I need to be elected on 8th June and I do hope you will consider voting for me.
